

CCTV SYSTEM

LCD CCTV MONITOR SYSTEM

Product Information

20.1" LCD CCTV MONITOR

20.1" LCD CCTV Monitor

This is a 20.1" RoHS Compliant LCD CCTV Monitor that has high contrast ratio with HD 1080p support input. A reliable & high definition solution used in CCTV industries.

TECHNICAL SPECIFICATION

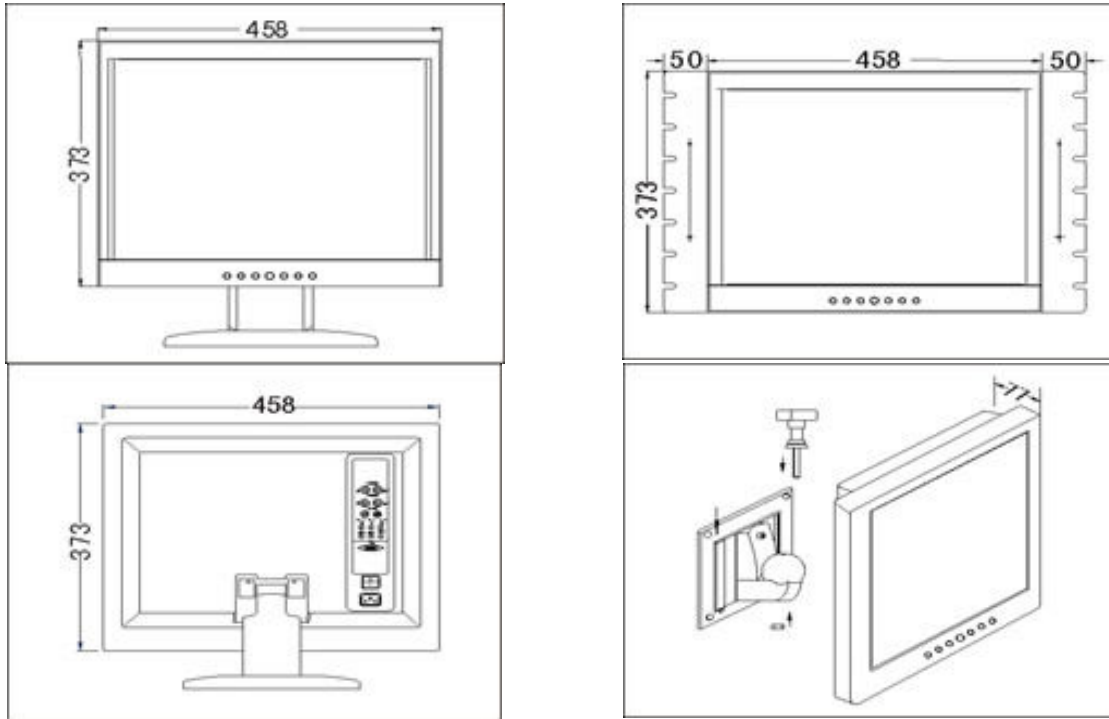

General Technical Specification

Definition: Support 1080p (HD)
Contrast Ratio: 600:1
Resolution: 1600x1200 (max)
Video Input: 2 channels multiple video BNC
1 channel YPBPR(1080p)
1 channel S-video
1 channel VGA input
Video Output: 2 channels multiple video BNC
Luminance: 450 cd/m ²
Response Time: Tr + Tf = 16ms
Audio Input/Output: 3 channel Input
3 channel output Audio
Frequency 2W
Front Panel Control: Channel Switch, Menu, Volume, Power Switch
Input Power: 90-250 Vac
Operating Temperature: 0°C~40°C
Operating Humidity: 10%~85%
Power consumption: 50w (Max)
Dimension: 458x372x84 mm (WxHxD)

Features.

- RoHS Compliant
- High Resolution
- Support 1080p video input
- Various video input port, including BNC, S-video etc.
- Various Power input source, 90-250Vac
